Paint warranty

All aluminum gutter installations are to be polyester aluminum painted and are warranted not to chip, crack, peel, blister or fade non-uniformly. Paint finish includes a Lifetime Warranty. Paint warranty exclusion: Paint warranty covers only original paint system and does not cover gutter systems that are painted over or modified. Paint warranty does not cover tiger-striping. Some homes may experience atmospheric conditions that require cleaning.

Defect warranty

Gutters, end caps, miters, elbows, hangers, downspout pipe, and fasteners are to be free from manufacture defects includes a Lifetime Warranty. Defects discovered should be reported in writing immediately to prevent collateral damage

Workmanship warranty

All workmanship includes a Lifetime Warranty. Void if gutters are removed and reinstalled by persons other than Michigan Gutters technicians.

Function warranty

Rain Handling System will meet or exceed Michigan building codes. All mitered corners and end caps include a Lifetime Warranty. Should a leak develop do not attempt to repair. Call Michigan Gutters for free service. Corners modified by persons other than Michigan Gutters personnel are void of function and workmanship warranty and will require additional work to reseal and will result in service charges.

Remedies of warranty

At the discretion of Michigan Gutters, Michigan Gutters will remove, replace, or modify existing gutters to correct the problem, and/or refund the purchase price.

Transferable warranty
