

Michigan Gutters, Inc

In The Gutter

February 7th, 2023

Congratulations to the Team Contest winners - Mark, Gordon, Mitch, Eli, Kris, Ethan, Blake, Gabe & Mason! Keep and eye out for more contests to come!

We are in Gray season now. PTO is **not** needed to take time off but you will need to request the time off, at the latest, by noon the day before. Example - if you want Wednesday off, you will have to let the office know by Tuesday at noon. If you want Monday off - you need to let the office know by **FRIDAY** before noon. Schedules are finalized on Friday.

Please take the time to fill out this survey. This information will be used in the newsletter (I will pull info for the 'Meet the Crew' section and it may be used else where (slideshow at party, etc.) Please keep answers and pictures work appropriate.

Gutter Do's and Don'ts

DO:

- Always bring F-channel
- Check the low end of the gutter and check if the F-Channel is needed.
- ALWAYS put end caps on covers (all covers!)
- Make sure butt joints are tight - no gaps!
- clean or flush the gutters before installing cover - no debris should be in the gutter when installing cover.

DON'T

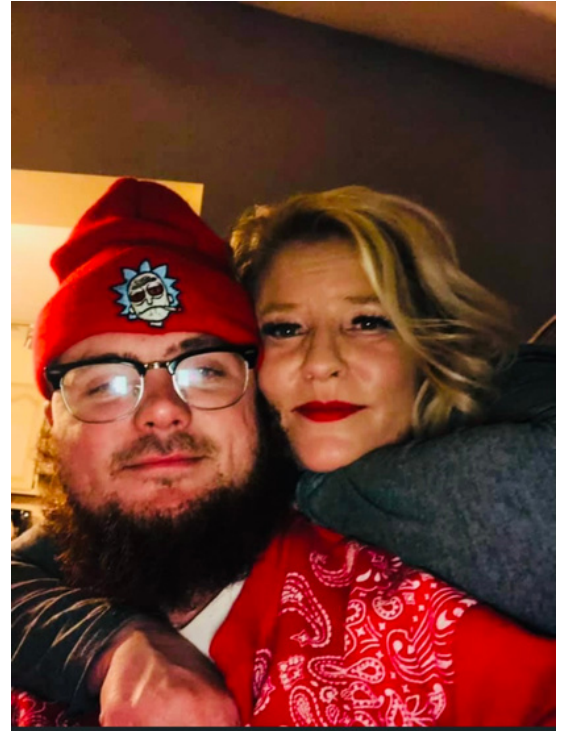

- Install cover if shingles are lifting!
- install cover if shingles are ripping - use F - channel!!
- use gutter screws under the shingles, always use a pan or flat headed screw!

Get To Know The Crew!

This months
spot light is on
Kris!

Kris was born in Sebring, FL, raised in Ashford, AL and made the move from Las Vegas to Traverse City with his wife, Renee, after enjoying the Vegas life for 7 years. They have a sweet, spoiled rotten, Chihuahua named Baby. In the summer time they enjoy spending time on the Boardman River behind their house, or hanging out with their 70 year old neighbor. In the winter he enjoys snowmobiling - if we have the snow for it. When he is not enjoying the outdoors, he enjoys watching the Georgia Bulldogs whoop some butt. GO DAWGS!
