THE ULTIMATE ROOF AND GUTTER PROTECTION NEW PRODUCT ANNOUNCEMENT

Introducing Two New High End Gutter Guards ArmourGuard Supreme ArmourGuard Standard

- Installs at the same pitch as your roof - sheds all debris.
- Installs with or without our Unique "SlipLoc" Channel - Securely fastened to your fascia so roof and shingle warranty is not affected.
- Extruded Aluminum Frame - Durable in the harshest environments
- Anodized Aluminum - Protects against Dissimilar Metals. Can be installed on copper or steel gutters.
- Surgical Grade 316L Stainless Steel 30 or 50 Micron Mesh - no organic material will grow or adhere.

- No holes slots or openings - only water enters your gutters.
- Stops all Debris - No leaves, pine needles, shingle grit or dirt will get into your gutters.
- Completely Sealed System - No insects or pests will enter your gutters.
- Lifetime Transferable Warranty - Industry Best!
- Highest Rated Gutter Guard Technology By Leading Consumer Magazine.
- Works on All Roof and Gutter Systems.
- Discreet Low Profile Appearance.
- Competitive Pricing - Ask about our introductory pricing good through September 30, 2016
